KALAYAAN JUSTICE FOR MIGRANT DOMESTIC WORKERS

REPORT OF THE MANAGEMENT COMMITTEE MEMBERS

The Management Committee present their report and financial statements for the year ended 31 March 2011.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Kalayaan is a registered charity. Its main business is carried out from its offices in London. Day to day management is the duty of the Co-ordinator appointed by the charity trustees and the trustees of the charity exercise overall control.

The organisation's structure, governance and management are set out in the Constitution. The objects are:

- To advance education and relieve poverty, particularly by:
 - a. The provision of legal and other advice.
 - b. The relief of unemployment for the public benefit amongst people who are unemployed.
- To advance education for the public benefit.
- To promote health for the benefit of the public.
- To improve the conditions of life by the provision of recreational facilities in the interests of social welfare to those current and former migrant domestic workers who have the need of such facilities by reason of their social and economic circumstances.

Members of the Management Committee are appointed by the AGM. Membership is open to all those interested in supporting the work of the organisation and up to 25% of the Committee is reserved for current or former migrant domestic workers.

Principal Activities

During the last financial year Kalayaan provided the following services for migrant domestic workers:

- Six day a week Drop in Centre.
- Immigration advice from qualified staff.
- Employment advice, with particular reference to rights at work.
- Access to job opportunities.
- Emergency support for those running away from abusive employers.
- ESOL and literacy classes for some 250 students.
- Life in the UK class.
- Regular free legal surgeries with qualified solicitors.
- Advice and assistance on health issues.
- Research on issues currently facing migrant domestic workers (MDWs) in the UK and the policies in place to protect them.
- Raising public awareness about the issues facing migrant domestic workers in the UK.
- Informing the Home Office and related agencies about the real problems facing migrant domestic workers and the likely impact of new policies, particularly changes to the immigration rules affecting MDWs.

KALAYAAN - JUSTICE FOR MIGRANT DOMESTIC WORKERS

REPORT OF THE MANAGEMENT COMMITTEE (continued)

The demand for Kalayaan services continued to be strong; 298 new service users from over 28 countries registered during the year and 25 advice sessions per week were given. Long hours, wages below the national minimum wage, illegal retention of passports and verbal and physical abuse continue to be regularly reported by those accessing Kalayaan's services. Staff and volunteers supported MDWs in contacts with the police and embassies in order to regularise their status in this country; to regain their passports and to take action against abusive employers. General information materials were made available to clients in 12 community languages and initial contacts made with various country specific immigrant support groups in the UK in order to ensure that knowledge of the services offered by Kalayaan was widely disseminated.

Kalayaan's priorities in the current year are:

- Continue to provide advice and facilities for migrant domestic workers and to reach out to those from countries currently under represented among clients.
- To continue supporting clients to take their cases for compensation to employment tribunals in the UK and to ensure that the results of such tribunals are widely publicised.
- Ensure that the facilities to be provided by the UK Government as part of its implementation of the Council of Europe Trafficking Convention from April 2009 are made fully available to those Kalayaan clients that meet the criteria.
- Continue to run ESOL classes for migrant domestic workers, particularly those unable to access government funded courses.
- To publish the results of research carried out in 2010/11.
- Continue to provide advice and information to the government about the potential impact of its new immigration and work permit proposals on migrant domestic workers and to ensure that new laws do not increase the potential for abuse of such workers. In particular to ensure that MDWs do not lose the right to change employers once they have been given a work permit to enter the UK, or to lose the right to settlement after they have been working in the UK for five years.
- To win for migrant domestic workers who enter the UK with diplomats (diplomatic MDWs) the same right to change employer, so allowing them to escape abuse, as other MDWs.
- To challenge the family worker exemption, which sometimes prevents MDWs from accessing their workers' rights.
- Support Justice 4 Domestic Workers an organisation established by migrant domestic workers within Unite the Union.

The Management Committee recognises the hard work of the staff over the last year and would like to thank them for their support.

REPORT OF THE MANAGEMENT COMMITTEE (CONTINUED)

Risk Management

The Management Committee has considered the main risks to the future of the organisation and considers that they mainly fall under three headings:

- Possible problems that may arise from dealing with such sensitive issues as migration and employment opportunities.
- Reliance on four dedicated staff members, willing and able to work unsocial hours and to offer a wide range of practical and emotional support.
- Difficulties of finding continuing funding in the light of the reduced capacity of many funders.

In the last five years, Kalayaan has been a fully accredited advice centre and this has meant more control of procedures and regular audits of the staff providing advice. The possible problems that could arise for the organisation from the loss of experienced staff are clear but the Committee does not see how systems can be put into place to avoid this risk, apart from trying to arrange sensible handover arrangements when staff members do change. The Committee has also decided to become a limited company and it is intended this will happen during 2011/12.

Reserves:

Throughout its life Kalayaan has operated with minimum financial resources. Some years ago the Management Committee decided that it would be prudent to build up sufficient general reserves to cover at least three months of core operating expenditure. The Committee is pleased to report that the general reserve had reached a level of four months at the end of March 2011.

Statement of the Management Committee's Responsibilities:

Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of its results for that period. In preparing those financial statements the trustees are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

State whether the policies adopted are in accordance with the Charities SORP and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements; and

Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with relevant law. They are also

REPORT OF THE MANAGEMENT COMMITTEE (continued)

responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Public Benefit Statement

The sections of this report above entitled "Principal Activities" set out Kalayaan's objectives and reports on the activity and successes in the year to 31st March 2011 as well as explaining the plans for the current financial year. The Trustees consider that Kalayaan's work continues to benefit a wide range of individuals in the local community and throughout the UK.

Financial Review

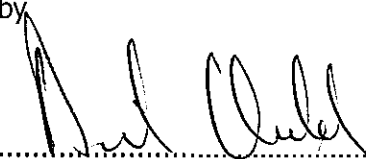

Income for the year of **£216,988** was 2% below the previous year. Although most income came from restricted fund grants, there was a significant increase in unrestricted funds raised. The increase in unrestricted funds mainly arose as a result of publicity generated by a TV documentary on domestic slavery during the year. Total expenditure of **£215,131** for the year was 4% below the previous year because of the end of the Migrant Domestic Workers as Carers project.

In consequence Kalayaan's accounts for the financial year 2010/11 showed a surplus of **£1,857**, made up of a deficit of **£23,641** on restricted funds, as previous grants were expended, and a surplus of **£25,520** on unrestricted funds. As a result the organisation's free (unrestricted) reserves have increased to **£69,358** around four months of current core expenditure. Overall the financial situation remains healthy.

Details of income and expenditure may be found in the figures and notes to the accounts set out below, along with the balance sheet. The fluctuations in debtors and creditors year on year are purely the result of the timing of receipts and payment around the year-end.

A resolution proposing the reappointment of the independent examiner will be put to the first Management Committee following the Annual General Meeting.

INDEPENDENT EXAMINER'S REPORT

TO THE MANAGEMENT COMMITTEE MEMBERS OF KALAYAAN - JUSTICE FOR MIGRANT DOMESTIC WORKERS

I report on the Financial Statements of the Kalayaan – Justice for Migrant Domestic Workers for the year ended 31st March 2011, which are set out on pages 9 to 14.

Respective responsibilities of Trustees and Examiner

The Management Committee members of Kalayaan – Justice for Migrant Domestic Workers are responsible for the preparation of the accounts. The trustees consider that an audit is not required this year (under section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under s43 of the 1993 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under s43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

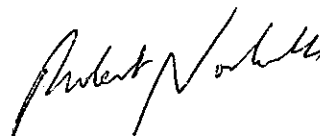

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statements

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with s41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 1993 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
